

Analiese Almgren

Assistant Estimator | Project Manager

BIO

Analiese brings a strong foundation in business and a lifelong familiarity with the construction industry to Bayview Services. She earned her bachelor's degree in business management from California State University San Marcos and was introduced to the demolition industry at an early age through her family's Bay Area-based demolition company. Growing up around the business gave her an understanding of jobsite operations, industry standards, and the importance of safety and teamwork. She approaches her work with a detail-oriented mindset and a commitment to learning, supporting Bayview's projects with professionalism and a strong work ethic.
