

Bryan Davis

Estimator / Project Manager

BIO

Bryan obtained a Bachelor of Science degree in Business Administration from California State University Stanislaus in 2009. Shortly after graduating, he joined the company as an apprentice and worked his way up to the foreman position, gaining valuable experience in supervising and organizing various-sized demolition and abatement projects. In 2013, Bryan joined the Estimating staff, bringing his hands-on experience gained in the field to apply to the Estimating & Project Management side of the business. Bryan provides estimates for abatement and demolition projects ranging from thousands to multi-millions of dollars and manages them from start to finish.
