

### PROJECT SUMMARY

Bayview Environmental Services, Inc. was contracted by Rainbow Investments, Inc., the current owner of 155 West Hospitality Lane in San Bernardino, CA to demolish & dispose of a two story-35,000 SF burned down structure. The Bayview Environmental, Inc. team worked closely with the owner and the city of San Bernardino to obtain all necessary permits and comply with all regulatory requirements. The scope of work included drafting demolition/erosion control plans, obtaining demolition permits, installation of SWPP'S, cutting & capping of utilities, removal of trees/tree stumps, and demolition of two story-35,000 SF fire damaged structure. Bayview team submitted all applicable documents to the city of San Bernardino and obtained Demolition permits within 3 weeks of contract award. The Bayview Environmental Services, Inc. operations team then proceeded to install erosion control measures and complete the entirety of demolition scope within 2 weeks which included loading/hauling out 88 loads of mixed construction debris.
